A premium project from a developer with a 50-year history of creating high-class conceptual housing, this complex is designed for comfortable living. It comprises only 15 apartments situated in three separate blocks, offering spacious interiors and a high level of privacy in an exclusive location. This new construction project features well-thought-out modern layouts and panoramic windows, a rarity in this area. The project stands out for its use of high-quality materials and top-notch construction. The exceptional location and carefully conceived architecture ensure future residents unforgettable views from their windows and terraces, along with the opportunity to witness the sunrise every morning against the backdrop of the sea coast.
