## Location: Istán

Stunning development of apartments each offering 2 or 3 bedrooms, 2 bathrooms, and terrace. These homes boast an "open plan" layout, seamlessly integrating the kitchen into the living-dining area. Natural light floods the living spaces, thanks to the expansive patio windows that lead to spacious terraces. Prepare to be captivated by the breathtaking panoramic views that greet you from these vantage points. In addition to these features, practical amenities such as a private underground garage for each residence, a swimming pool catering to both adults and children, and extensive landscaped gardens are all part of this beautiful development. The development also boasts a network of public footpaths in its vicinity and over 5 hectares of lush woodland, providing opportunities for leisurely walks and tranquil moments amidst nature. This is the second project on sale, comprising 24 exclusive apartments with forest views. The project includes 3 blocks of 3 floors with homes in contemporary "open plan" style but with a rustic appearance that blends into the natural surroundings. Apartments with 2 and 3 bedrooms and penthouses with a solarium, with large terraces, communal pool and gardens with autochthonous plants. South-East orientation. Estimated completion date: February 2026
