Stylish Renovated Penthouse in Heart of Marbella

This beautiful three-bedroom, two-bathroom penthouse in the Marapolis building, right in the centre of Marbella and also approximately 100m from the beach, was fully renovated and now offers modern comfort and a perfect location for those who enjoy city life all year round. The location couldn't be better, just a short walk from the Old Town and the Marbella seaside promenade with a wide range of restaurants, shops, and services of a professional and commercial kind.

With 136 square metres on the seventh floor, it's bright and spacious. The open-plan living room connects to a stylish, fully equipped kitchen, creating a warm space to relax or entertain. From the living area and main bedroom, you can enjoy lovely sea views. There are three bedrooms and two bathrooms. Both bathrooms have underfloor heating and self-cleaning toilets with automatic bidets. The Airzone system lets you control the temperature in each room, warm or cool, for total comfort.

A parking space is included, and the building has a lift.

A modern, comfortable, and bright home all on one level with open views and in the heart of Marbella, with everything just a few steps away.
